Wedding Location

Any of our wedding packages can be provided at the beach, or at another location such as a park, garden, or home, and can be any time of the day you want. For best photographs, we recommend as close to sunset as possible, and we will work with you to provide a start time based on the details of your wedding. We can go to your location (beach house, condo, hotel, etc.) for the wedding, or help you select a public beach for the wedding.

Additional Options

- Add a 10 inch Bride's cake, serves approximately 30 -- \$125.00
- Add a second 10 inch Bride's cake -- \$75.00
- Add a Groom's cake, (1/4 sheet) serves approximately 25 -- \$95.00
- Add a Groom's cake, (1/4 sheet) serves approximately 25, with chocolate covered strawberries -- \$145.00
- Price on ½ sheet Groom's cake available upon request

Upon booking your White Sands Wedding Package, we will discuss the details with you so that your wedding can be tailored to your needs. We will review start times, order of events, photography, cake choices and other options.

Additional Information

The cake and beverage service provides the cake(s) specified in the wedding package, plus table(s) to setup the cake cutting and service, plus the champagne bucket, bride and groom champagne flutes, cake serving pieces, and tablecloths. A chilled beverage (fruit punch) is provided for guests after the cake cutting, along with napkins, plates, cups and forks. We will supply enough beverage for the number of guests provided for in the wedding package. If you need more punch, please add \$6.00 per gallon.

If you are providing a groom's cake yourself in order to serve more guests, you should consider ordering more punch.

If you are planning a dinner with your guests at another location following the wedding and do not want the cake/beverage service at the time of the beach side cake cutting, just let us know and we can package everything up for you to take with you in order for you to serve your guests after dinner. You would need to provide your own cake cutting/serving utensils.

If you book the Sand Between Your Toes or Sand and Sea Oats wedding package and want a cake to serve later, you can select a cake from the options and add a \$25.00 service fee for pickup and transport. We will give you the cake at the time of the wedding for you to serve later as you prefer. During the spring, summer and fall months I would recommend that you bring an ice chest large enough to hold and transport the cake if it will not be delivered to an air conditioned environment.
