**How to Order Enlargements**

You may order online through our online Storefront. Please navigate to the site where your proofs are posted to access the Storefront. If your package includes some built-in enlargements, use your coupon code during the checkout process to get the credit for your package enlargements, plus the shipping for the package enlargements. Your coupon code will be sent in a separate email at the same time your proofs are ready for online viewing.

Alternately, you can send an email to [www.whitesandsweddings@yahoo.com](mailto:www.whitesandsweddings@yahoo.com) and list the proof number, size and quantity. If you order by email or regular mail, you must indicate if you want the enlargement in black/white, otherwise it will be printed in color. When ordering online, there are separate proofs for color and black/white. Treatments other than these may require additional charges, please contact us.

When ordering online, you can pay for your order at that time when presented with the total, or you can choose to pay via credit card by calling us. We would then total up your order and run your credit card for you. Or, you may choose to pay via personal check by mailing it to us, however, this would delay the processing of your order. The most secure way to pay is during the online checkout. It is a secure process and we never see your credit card information.

**Custom Enlargements** are all individually hand processed for all standard corrections including color balance and cropping. Wayward and stray objects are removed, such as trash, or people who wander into posed shots, or other objects detracting from the photo. Photos in public places, such as the beach, may have people in the background.

**Premier Enlargements come Mounted with Spray Finish.** They include corrections such as wrinkle softening, blemish removal, skin smoothing, whitening teeth or removal of braces, and removal of unwanted objects from photo. **Premier corrections are for two heads, additional heads at \$25.00 each.**

**Canvas Prints** are printed on a canvas which is stretched on a stretcher frame and UV sealed, ready for framing in frames designed for stretcher frames.

**If you need something that is not listed, please contact us. If you have a question about sizes, quantities, or anything else, please call or email.**

You may refer family and friends who wish to purchase enlargements to our storefront also. They can locate your event from the list, and use the shopping cart feature to select enlargements and pay by credit or debit card. They may use the email process described above if they have access to your proof numbers.

**Proofs:** Depending on your wedding or portrait package, your proofs are provided to you as either a custom bound proof portfolio or 4x5 printed proofs. The proofs are yours to keep and are used to pick out the photos you want to be printed as small prints or enlargements. The 4x5 proofs do have the studio name printed along the bottom, and copyright information on the back. No album is provided for individual proofs, however you may purchase a proof album from the options listed here. We do not keep the albums in stock, so unless you let us know at least three weeks prior to the event that you want to purchase a proof album, delivery may be delayed. You can see a sample of a proof print at [www.pensacolaphoto.com/faq](http://www.pensacolaphoto.com/faq).

If you would like to purchase an additional copy of the bound proof portfolio, the price is listed in the options. A bound proof portfolio is sized 8.5x11, has a custom designed cover, is bound on the left side and has six proofs per page on a black background.

**Photography Options:** These options must be selected at time of booking and include photographer time and additional proofs for the coverage.

Additional hour of coverage: \$100.00 per hour
